STATEMENT OF THE SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

A telephonic interview occurred on December 2, 2009, between Examiner Lee and Applicant's representative Allen Krass. Applicant was informed that the declaration of record is defective since the error statement does not identify the error. Examiner Lee indicated the error in the claims must be identified by reference to the specific claim(s) and the specific claim language wherein lies the error.

Accordingly, Applicant hereby submits the attached supplemental declarations which now identify at least one error in the original patent which has not been corrected by the parent reissue application or earlier reissue application.

Entry of this statement of the substance of interview is requested as the statement is in compliance with 37 CFR 1.133.

Dated: 1/11/2010

Respectfully submitted,

Electronic signature: /Allen M. Krass/
